

PRAIRIE TOWNSHIP OPEN SPACE USE PERMIT MAP

Due to the ongoing Hellbranch Restoration Project, hunting in the Open Space south of West Broad Street will be limited to BOW HUNTING ONLY for the 2018-2019 season.

GUIDELINES

Prairie Township's primary goal in maintaining open space conservation areas is to help protect water quality in Big Darby Creek and its tributaries. Other secondary uses may be permitted by the township so long as they do not conflict with the primary conservation goals. Persons may only enter township open spaces with the written permission of the township and upon acknowledgement and acceptance of the following guidelines:

1. Prairie Township open spaces may only be used for purposes intended to promote conservation of the area's nature resources such as: Passive recreation; appropriate outdoor nature activities; and natural history education.
2. No vehicles shall be permitted on the premises.
3. No littering or dumping. All solid waste shall be carried off of the property by the user(s).
4. No permanent structures shall be erected. Temporary structures may only be erected on the premises with written permission from the Township.
5. No spikes, nails, wires or other metal objects shall be driven into any tree for any purpose, including to act as a ladder/access to a tree stand or to act as support for a temporary structure such as a tree stand.
6. No fires shall be set unless the Township gives written permission in advance.
7. Any person with a valid Ohio hunting license may be permitted to hunt on township open space areas during appropriate times of the year.
8. Access shall be limited to daylight hours unless noted otherwise in writing.
