The Prairie Community Fund is a fund under the umbrella of the Columbus Foundation. The Columbus Foundation is the trusted philanthropic advisor to 2500 individuals, families, and businesses who have created charitable funds and planned gifts to make a difference in the lives of others through the most effective philanthropy possible. The PCF will lead private fund raising efforts for projects that will positively impact Prairie Township and its surrounding neighbors.

The first major project the Prairie Community Fund will take on is raising funds to build an artificial turf field that will be designed specifically for individuals with special needs. This field will allow individuals with special needs to experience the joy and camaraderie that comes from being part of a team. This field will allow everyone in Prairie Township and the surrounding area the opportunity to play soccer, football and other field sports.

Mission: Our mission is to enhance the quality of life in the greater Prairie area by enriching traditions and supporting innovation through leadership and giving.

Vision: Our vision is to continue to be a trusted, respected, well established umbrella foundation that serves the greater Prairie community.

Prairie Community Fund Tree

The Prairie Community Fund is pleased to introduce the Giving Tree Campaign! This is a unique opportunity for the community to show their support of the TOPSoccer Artificial Turf Field by purchasing a personalized part of the Giving Tree placed in the Prairie Township Community Center. Not only will you be able to help us to provide recreation opportunities for all but you can leave a permanent family legacy in our community!
